## JOB DESCRIPTIONS

### Lifeguard

Starting at \$10.64/hour

Employees in this class observe swimmers at state park beaches, assist visitors, enforce rules, and provide rescue services when necessary. At some areas, other duties may be assigned.

An important feature of this work is recognizing potential dangers and hazards that an individual may be placing himself in and correcting the situation to prevent an accident or drowning.

There are specific qualifications for this classification, including valid lifeguard certifications, a timed 500 meter swim within 10 minutes, and successful completion of a Lifeguard Academy where applicants demonstrate their ability to run a 1.5 mile course in 12 minutes or less, and 500 yard paddleboard within 10 minutes.

### Lifeguard Supervisor

This classification directs the activities of other lifeguards, supervises that reports are correctly filled out and completed, oversees that equipment and supplies are on hand and operable, helps set up work schedule and assists in making adjustments as needed. At some areas, other duties may be assigned.

All Lifeguard classification qualifications are required for Lifeguard Supervisors.
